

HOW TO LOOK AFTER YOUR LVL LASHES

AFTER YOUR LVL TREATMENT:

- For the first 24 hours after your treatment it's important not to allow water to come in to contact with your lashes
- For 2 days afterwards do not steam your face, use a steam bath, swim or wash your face with hot water
- Do not use waterproof mascara
- Use oil free make-up remover if mascara is worn (only use a water-based mascara)
- Don't rub your eyes when washing your face – always pat the lashes dry after cleansing
- Ensure lashes are not manipulated into different positions (e.g. when sleeping, cleansing the face, applying moisturiser or cosmetics)
- If you're in any doubt, please ask your [Nouveau Lashes technician](#) for expert advice on how best to look after your LVL lashes
